## For Entry-Level Clinic Assistants

This Clinic Assistant Training Programme (Foundation) is designed for entry-level clinic assistants. Aligned with relevant CA competency framework, this training course builds a clinic assistant's foundation in clinical care and prepares them for various aspects of clinic operations like medication dispensing and communication with patients.

**11 Nov 2025**

**Session 1:** Foundation in Clinical Care

**18 Nov 2025**

**Session 2:** Managing Clinic Operations & Patient Communication

**25 Nov 2025**

**Session 3:** Medication Handling and Dispensing
