

Challenging Communications

Through the detailed slide deck, it will help you understand the significance of communication in healthcare, explore essential communication techniques, identify common challenges and their impact, and learn about strategies to overcome these communication obstacles.

Explore learning resources on NEST!

The NUHS Education Support Training Hub (NEST) is a one-stop repository of useful CME recordings, clinical practice guidelines and links to online learning resources for General Practitioners and Clinic Assistants.

Scan the QR code or visit <https://for.sg/nestsignup> to sign up for a NEST account today!

Please note that course enrolment will be processed within three working days. A NEST account is required to access the courses.

Email us at
nuhs_primarycare@nuhs.edu.sg
for further queries.

NEST is also available on the Thinkific mobile app!
Download the Thinkific mobile app from the App Store and search for “NEST” within Thinkific.
