

Laboratory integration with the CMS is a useful feature and reduces the need to manually transcribe the results when there is full lab integration. The table below shows the extent of lab integration of these CMSes. **For more information, you may approach the respective CMS vendors as there may be different packages and prices to enable integration.**

Healthier SG (HSG)-compatible Clinic Management System (CMS)* Lab Integration Status (as of 21 Mar 2025):

* Updated status of HSG-compatible CMS listing for 2025 will be refreshed in Jun 2025. Please refer to Synapxe website for the status of Nov 2024 enhancement release <https://www.synapxe.sg/partner-us/smartcms>

CMS Name	Level of Integration with Laboratories (Not in prevailing HSG-compatible CMS criteria)				
	Eurofins Lab	Innoquest	Pathlab	Parkway Lab	Reste
Clinic Assist (GP Version) enquiry@eclinic.com.sg	Integrated				
Galen Health CMS inquiry@galenhealth.io	Nil	Integrated	Nil	Integrated	
GPConnect GPIT@synapxe.sg	Integrated				
HeartVoice support@1doc.sg	Integrated	Nil			
Jedatis CMS hello@jedatis.com	Nil				
Julius contact@rubiconmedical.sg	Nil	Integrated	Nil	Integrated	Nil
LinkDoctors hello@carevender.com	Integrated		Nil		
Medical Suite info@cellbox.net	Nil			Integrated	Nil
OtterSG info@ottersg.com	Integrated		Nil		
Plato CMS support@platomedical.com	Integrated				
SGiMED Hummingbird E-Clinic sales@sgimed.com	Integrated				
UNO CMS hello@unotech.io	Integrated		Nil	Integrated	
Vanda CMS sales@magicsoft-asia.com	Nil				
ZD eCMS enquiry@zanden.com.sg	Nil				
Non-Commercial CMS (Group Practices)					
CAS WEB Parkway Shenton	Nil			Integrated	Nil
RCMS Raffles Medical Group	Nil				

Integrated means that results from lab are transmitted to the CMS
Nil = No Integration
