# Chapter 1 - Introduction

## 1.1 About PCDS – Healthier SG Application

To enable GP clinics to manage and view Healthier SG (HSG) application more efficiently by streamlining the GP experience for HSG onboarding process, leveraging on the existing PCDS platform and enhancing its system capabilities.

## 1.2 User Guide

1. Click on the hyperlink “[HSG application user guide](#)” at the login page to access the latest version of PCDS Healthier SG Application User Guide.

## 1.3 Setting up PCDS for your clinic

As PCDS is a web-based system, the setup is fast and simple. Either you or your clinic staff can set up PCDS easily. Go to <https://pcds.sg>. You may wish to bookmark this page in your browser for quick access.

Please ensure that the Unique Entity Number (UEN) tied to your Corppass is the same as your clinic's UEN in the MOH electronic licensing (eLIS) system, as credentials between these two systems are matched during the log in process.

- If your Corppass UEN is different from your eLIS UEN, please contact AIC GP Helpline 6632 1199 or your AIC account manager for assistance.
- If your Corppass UEN is the same as your eLIS UEN, please check that the Corppass administrator has assigned digital service access to other users within the entity who need access.

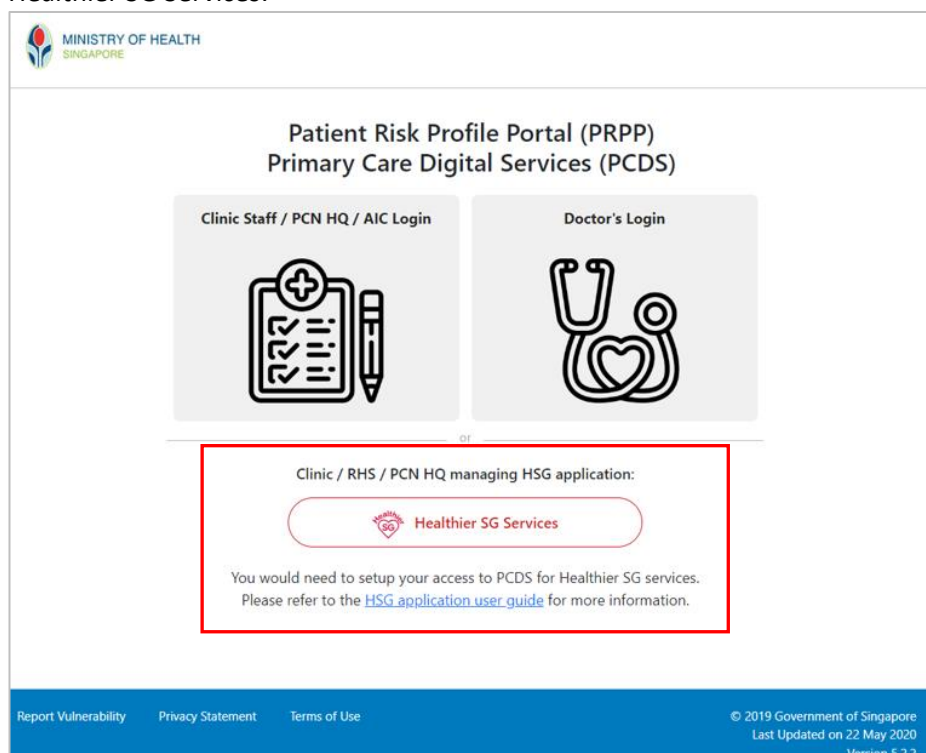

Your clinic's Corppass account will be tied to the user's SingPass ID and you will only require your SingPass to log in.

Please ensure that the Corppass administrator has assigned digital service **"MOH-PHP-CP (MOH Patient Health Profile)"** to the CorpPass users within the entity who need access.

Corppass user guide on how to setup, assign and manage User's Digital Service Access can be downloaded for "Admin & Sub-Admin" from this link [Corppass - User Guides](#).

### 1.3.1 Non-HSG Clinic Users/ PCN HQ Users/RHS Users - Logging in to Healthier SG Services

1. All non-HSG Clinic Users/ PCN HQ Users/RHS Users must have a valid SingPass account to log in to Healthier SG Services.

The Singpass login page features a header with the Singpass logo and navigation links. Below the header, there is an 'Advisory Note' section. The main content area includes a 'Welcome to Singpass' message with a digital identity icon. To the right, there is a 'Singpass app' section and a 'Password login' section. The 'Password login' section contains a 'Log in' button, a 'Forgot Singpass ID' link, and a 'Reset password' link.

**Note:** Clinic users/PCN HQ users who are tagged to multiple Corppass accounts can select which account they wish to log in to.

The Corppass login page displays the Corppass logo and the Singapore Government logo. It includes a 'Select UEN/Entity ID' section with two buttons: '180005596C Company 180005596C Pte Ltd' and 'R26CM8395J Company R26CM8395J Pte Ltd'. A 'Log Out' button is located in the top right corner.
