

COMMUNITY HEALTH ASSIST SCHEME (CHAS) (MEDICAL) REFERRAL FORM

This referral form may be used for:

- (1) CHAS Medical Referrals to Subsidised Specialist Outpatient Clinics (SOCs) at Public Healthcare Institutions;
- (2) Referrals for post-screening follow-up for abnormal Pap/HPV screening test result under Screen For Life (SFL);
- (3) Referrals for post-CDS/Vaccination follow-up under the Vaccination and Childhood Developmental Screening Scheme (VCDSS); and
- (4) Referrals for Breast Cancer Screening and GP-to-GP Referral for Cervical Cancer Screening under SFL and Healthier SG (HSG)

Please see details below on the appropriate use of the CHAS (MEDICAL) Referral Form for each purpose.

(1) CHAS Medical Referrals to Subsidised Specialist Outpatient Clinics (SOCs) at Public Healthcare Institutions

Phone Calls

In general, phone calls to arrange first appointments are allowed at the Specialist Outpatient Clinics (SOCs) except where otherwise indicated in the table below. Either the referring CHAS GP clinic or the patient can call to arrange for an appointment through the central appointment line of the SOC, and it should be highlighted during the phone call that it is a CHAS referral.

The CHAS Referral Form and any additional document(s) containing important information pertaining to the referral need to be given to the patient. The patient must bring these documents for their SOC appointment, failing which he/she may be registered as a private patient.

If the patient does not have the CHAS Referral Form on the day of appointment, the SOC may contact the referring CHAS GP for assistance to send it to the SOC by fax (or email).

Faxes

Faxed referrals are generally accepted by the SOC. After SOC has assessed and accepted the referrals, the contact centre staff will contact the referring clinic/patient to confirm details of the appointment.

Table 1: PHI Referral Details

Medical Institution	Additional Details for Referral	Tel No.	Fax No.
Alexandra Hospital (AH)	Phone calls to arrange first appointments are allowed . CHAS Referral Forms should be emailed to appointment@nuhs.edu.sg	6908 2222	-
Changi General Hospital (CGH)	Phone calls to arrange first appointments are allowed . CHAS Referral Forms can also be emailed to Appt_centre@cgh.com.sg	6850 3333	6936 5007
Institute of Mental Health (IMH)	Phone calls to arrange first appointments are not allowed . CHAS Referral Forms are to be emailed to imh_appt_triage@imh.com.sg Please provide the provisional diagnosis, brief summary of symptoms, description of stressor(s) and/or current and historical risk issue/assessment.	6389 2200	-
Jurong Medical Centre (JMC)	Phone calls to arrange first appointments are allowed . CHAS Referral Forms can also be emailed to appointment@nuhs.edu.sg	6908 2222	-
KK Women's and Children's Hospital (KKH)	Phone calls to arrange first appointments are allowed . As the call centre may experience high volume of calls, CHAS Referral Forms can also be faxed/emailed to centralappt@kkh.com.sg	6692 2984	6692 2988

Medical Institution	Additional Details for Referral	Tel No.	Fax No.
Khoo Teck Puat Hospital (KTPH)	Phone calls to arrange first appointments are allowed , with the following exceptions: <ul style="list-style-type: none"> • Renal department • Endocrinology 	6555 8828	6602 3777
National Cancer Centre Singapore (NCCS)	Phone calls to arrange first appointments are allowed . Please provide the suspected diagnosis and/or proposed treatment of the patient so that NCCS can ensure correct sub-specialty placement of the patient.	6436 8288	6324 3548
National Heart Centre (NHC)	Phone calls to arrange first appointments are allowed .	6704 2000	6222 9258
National Neuroscience Institute (NNI)	Phone calls to arrange first appointments are not allowed . CHAS Referral Forms should be faxed/emailed to NNI. NNI accepts phone booking of appointments for subsequent visits.	6330 6363	6357 7103
National Skin Centre (NSC)	Phone calls to arrange first appointments are allowed . The call centre is operational between Mondays to Fridays, 8am - 5pm. As the call centre may experience high volume of calls, CHAS Referral Forms can also be emailed to referral@nsc.com.sg .	6350 6666	-
National University Hospital (NUH)	Phone calls to arrange first appointments are not allowed. CHAS referral form should be emailed/faxed to gp@nuhs.edu.sg	6772 2000	6777 8065
Ng Teng Fong General Hospital (NTFGH)	Phone calls to arrange first appointments are allowed . CHAS Referral Forms can also be emailed to appointment@nuhs.edu.sg	6716 2323	-
Sengkang General Hospital (SKH)	Phone calls to arrange first appointments are not allowed . Please email the CHAS Referral Form and any additional supporting documents to SKH (gp@skh.com.sg) for first-time referrals. SKH may contact the clinic via email for further clarification. Referrals through faxes are not allowed . Please provide the suspected diagnosis so that SKH can ensure correct sub-specialty placement of patient if applicable.	6930 6010	-
Singapore General Hospital (SGH)	Phone calls from to arrange first appointments are allowed . GPs to call for appointment booking. For patients, to advise to call through Call Centre at 63214377 CHAS Referral Forms can also be emailed to gpnetwork@sgh.com.sg	6326 6060	6223 6094
Singapore National Eye Centre (SNEC)	Phone calls to arrange first appointments are allowed . CHAS Referral Forms can also be emailed to appointments@sneec.com.sg Please provide the following information for appointment booking: <ol style="list-style-type: none"> 1. Name of the referring CHAS clinic 2. Doctor's name and doctor MCR no. 3. Diagnosis (diabetic or non-diabetic) <i>[Important]</i> 4. Full patient's particulars 	6227 7266	6226 1884

Medical Institution	Additional Details for Referral	Tel No.	Fax No.
Tan Tock Seng Hospital (TTSH)	<p>Phone calls to arrange first appointments are not allowed.</p> <p>Please email the CHAS Referral Form and any additional supporting documents to <u>referrals@ttsh.com.sg</u></p> <p>Patients must also bring along their NRIC and CHAS/PG/MG/PA cards for their SOC appointments.</p> <p>To arrange a follow-up appointment for subsequent visits, please call 63577000</p>	6357 7000	6357 7001

(2) Referrals for post-screening follow up for abnormal Pap/HPV screening test result under Screen For Life (SFL)

Non-CHAS cardholders are eligible for subsidised referrals to public hospital SOCs under the Screen for Life (SFL) programme for follow up for abnormal Pap/HPV screening test results. Please refer to MOH FCM No. 37/2017 for details on the referral eligibility criteria.

Table 2: Screen for Life Cervical Cancer Screening Assessment Centres

Medical Institution	Additional Details for Referral
KK Women's and Children's Hospital (KKH)	Please email: centralappt@kkh.com.sg , or call: 6294 4050.
National University Hospital (NUH)	Please email: gp@nuhs.edu.sg , or call: 6772 2000.
Singapore General Hospital (SGH)	Please call: 6326 6060.

(3) Referrals for post-CDS/Vaccination follow-up under the Vaccination and Childhood Developmental Screening Scheme (VCDSS)

Non-CHAS cardholders are eligible for subsidised referrals to public hospital SOCs under the Vaccination and Childhood Developmental Screening Scheme (VCDSS). Please refer to MOH FCM No. 55/2020 for details on the referral eligibility criteria.

(4) Referrals for Mammograms and Cervical Cancer Screening

Under Healthier SG, enrolled Singapore Citizens may be eligible for fully subsidised nationally recommended screenings.

Two referral pathways have been put in place to support this:

1. Referrals to SFL breast cancer screening centres for mammography:

Enrolled Singapore Citizens may be eligible for fully subsidised mammograms if they are referred by their enrolled HSG GP. Breast cancer screening can be done at any one of the SFL breast cancer screening centres (see [Table 3](#) below or refer to ScreenforLife.gov.sg). Patient should make an appointment with the screening centre before visiting and bring the completed referral form during their visit.

2. Referrals to other CHAS GPs for Pap/HPV test for cervical cancer screening:

Subsidised Pap tests and HPV DNA tests are already available under SFL at CHAS GP clinics and patients should be encouraged to follow up with their enrolled HSG GP where possible.

However, should the patient prefer to undertake the cervical cancer screening at a clinic other than their enrolled HSG GP (e.g., if the patient prefers the screening to be done by a female healthcare professional and this is unavailable at the enrolled HSG GP), HSG GPs may arrange for the patient to be referred to another CHAS GP that is able to offer the cervical cancer screening.

In such instances, enrolling GPs should issue a referral form to the swabbing GP to ensure that the patient receives the full subsidies (i.e., zero co-payment). GPs should not refer to polyclinics as the patient will not be eligible for fully subsidised cervical cancer screening there.

Please be reminded that SFL subsidies and Healthier SG enrolment benefits only apply if the screenings are conducted in line with the relevant Screen for Life eligibility criteria for the patient (see [Table 4](#) below or ScreenforLife.gov.sg).

For further details on the appropriate follow up for HSG-enrolled patients in the case of normal and abnormal results, please refer to the [Preventive Care Protocol for Cancer Screening](#). For further details on financing, please refer to the CHAS Agreement.

Table 3: SFL's Breast Cancer Screening Centres (Information accurate as of July 2023)

<p>1. National Healthcare Group Diagnostics (NHGD) Tel: 6275 6443 (6-ASK-NHGD), weblink (https://for.sg/nhgd-mmgappt) or scan the QR code for the latest list of screening centres</p>		
<ul style="list-style-type: none"> • Ang Mo Kio Polyclinic • Hougang Polyclinic • Kallang Polyclinic 	<ul style="list-style-type: none"> • Toa Payoh Polyclinic • Woodlands Polyclinic • Yishun Polyclinic • Mammobus 	
<p>2. National University Health System Diagnostics (NUHS D) Tel: 6370 6556, weblink (https://form.gov.sg/#!/6201c1c93bc12500135730b3) or scan the QR code for the latest list of screening centres</p>		
<ul style="list-style-type: none"> • Bukit Batok Polyclinic • Clementi Polyclinic 	<ul style="list-style-type: none"> • Pioneer Polyclinic

<ul style="list-style-type: none"> • Bedok Polyclinic • Eunos Polyclinic • Outram Polyclinic • Pasir Ris Polyclinic 	<ul style="list-style-type: none"> • Punggol Polyclinic • Sengkang Polyclinic • Tampines Polyclinic 	
<p>4. Singapore Cancer Society (for eligible women aged 50 years and above with a valid CHAS Blue or Orange card) Tel: 1800 727 3333</p>		

Table 4: STRC recommended screening tests for breast cancer and cervical cancer in the general population where SFL subsidies apply

	Eligible population	Screening Method	Age Range	Frequency
Breast Cancer	Asymptomatic 50–69-year-old women <i>(Note: Those aged 40-49 years old and those above 69 years old may be offered screening under SFL based on their risk profile[^]. To avail SFL subsidies, please see further details at https://www.healthhub.sg/a-z/diseases-and-conditions/20/breastcancer)</i>	Mammogram	50–69 years old	Every 2 years (Women aged 40-49 years old, may be offered annual screening based on risk-benefit assessment.)
Cervical Cancer	Any female who ever had sexual intercourse	Pap test	25–29 years old*	Every 3 years
		HPV DNA test	30–69 years old*	Every 5 years

[^] For women who are 40-49 years old and > 69 years old, a discussion on risks and benefits of breast cancer screening should be conducted as part of the Health Plan and a recommendation made for the individual patient to proceed (or not proceed) with mammography based on this discussion.

*For cervical cancer screening, ages indicated refer to age ranges for recommended tests.
