## Section D: Client Consent for Participation

I, the undersigned, have read and understood **Section E on page 2** of this form and consent to participate in Health Promotion Board's Healthier SG Screening ("Programme").

Explained by:

\_\_\_\_\_  
Name and Signature or Thumbprint of Client / Date

\_\_\_\_\_  
Name and Signature of Witness / Date

I do not consent to HPB disclosing the Information (as defined in Page 2) and my post screening and follow-up information under the Programme to HPB's collaborators (as defined in Page 2) for the purposes mentioned in Section E para 4 on page 2

## Section E: Consent to participate in Healthier SG Screening *(to be explained to client)*

### **1. Consent to Screen and Follow-up**

By participating in this programme, (“Programme”), I consent to undergo health screening tests (“Tests”) for one or more of the following: chronic diseases (obesity, diabetes, high blood pressure and high blood cholesterol) and / or cancers (breast and cervical cancer for women and colorectal cancer) and / or functional screening and follow-up by Health Promotion Board (HPB) appointed healthcare institutions/clinics/ service providers participating in the Programme (“Service Providers”).

I understand that I should see a doctor if any of my Test results is abnormal. I further understand that there are limitations to the Tests and that they are not conclusive in detecting or ruling out medical risk factors or conditions. I should see a doctor if I feel unwell or have any symptoms even if the Test results are normal. Depending on my Test results, I may be contacted and/or referred by HPB or the Service Providers for post-screening follow-up within the Programme.

### **2. Collection and Use of Information**

I acknowledge that my personal data and relevant screening and follow-up information, including the Test results (collectively, the “Information”) will be collected and used by HPB and Service Providers for the purposes of administering the Programme, conducting the Tests, and managing and implementing follow-up action arising from the Test results. I also acknowledge that the Information will be retained by HPB, the National Electronic Health Record (NEHR) and Ministry of Health (MOH) and that aggregate/de-identified Information may be used for research, statistical and planning purposes.

### **3. Authorisation**

I authorise HPB and Service Providers to approach HPB’s collaborators<sup>1</sup> and/or other healthcare institutions/clinics which are in the possession of my screening, follow-up, further assessment and/or treatment records relevant to HPB’s Screening Programmes to request for such records (if any) for the purposes of patient care, treatment or clinical / programme review.

### **4. Disclosure of Information**

Unless otherwise indicated in Page 1, I consent to HPB directly disclosing the Information and my past screening and follow-up information<sup>2</sup> to HPB’s collaborators<sup>1</sup> (where necessary) for the purposes of checking if I require re-screening, further tests, follow-up action and/or referral to community programmes/activities.

<sup>1</sup> Collaborators refer to organisations / institutions in partnership with HPB for the provision of screening and follow-up related services.

<sup>2</sup> Refers to Participant’s past screening and follow-up information under all of HPB Screening Programmes.
