

# KKH Respiratory and Allergy Symposium 2023

in conjunction with Basic Skills in the  
Management of Paediatric Asthma and  
Allergy Workshop for GP Clinic Assistants

Date :6 May 2023 (Saturday)

Venue :KKH Training Centre, Women's Tower  
Level 1

Fee :Free Admission

## KKH Respiratory and Allergy Symposium 2023

6 May 2023 (Saturday) | 2.00pm to 4.00pm (Lunch will be served at 1.00pm)

KKH Auditorium (Training Centre), Women's Tower, Level 1

CME and SNB-CPE points will be awarded.

You are invited to join us at the KKH Respiratory and Allergy Symposium for general practitioners, paediatricians and nurses. In addition to advancing knowledge, this symposium aims to facilitate collaboration between community practitioners and paediatricians.

There will be a panel discussion at the end of the session, in which our experts will discuss questions submitted by the delegates, relating to respiratory/sleep/allergy diseases in children.

# Basic Skills in the Management of Paediatric Asthma and Allergy Workshop for GP Clinic Assistants

6 May 2023 (Saturday) | 2.00pm to 4.30pm (Lunch will be served at 1.00pm)

KKH Lecture Theatre (Training Centre), Women's Tower, Level 1

SNB-CPE points will be awarded.

(Open to GP clinic assistants only. Limited to 50 pax)

The workshop aims to equip GP clinic assistants with basic knowledge about asthma and allergy in children, including the appropriate use of various inhaler devices.

At the end of the course, participants should be able to:

1. Understand basic concepts of asthma and allergy.
2. Recognise an asthma attack and know how to provide asthma first aid.
3. Teach children with asthma the correct inhaler technique, and assess their inhaler technique and adherence to medication.
